<sup>3</sup> Documents other than information documents and reports from sub-committees, working, drafting, correspondence and other working groups and the Secretariat, which contain more than 20 pages, in line with paragraph 6.11 of the Committees' Method of Work, will not be translated in their entirety. Such documents should include, for translation purposes, a summary not longer than four pages, with the technical content submitted as an annex in the language needed by working groups (i.e. English).

<sup>4</sup> In the case of documents containing more than 50 pages, the provisions of paragraph 6.12.1 of the Committees' Method of Work are to be applied.

A template is available on the IMODOCS website for use in the preparation of documents.

To facilitate the processing of documents, they should be sent via email in Microsoft Word to IMO's email address [info@imo.org](mailto:info@imo.org). It should be noted that the file size limit for the IMO email system is set at 10 Mbytes. If submitters do not receive an acknowledgement receipt by the Secretariat within 5 working days, they should contact [info@imo.org](mailto:info@imo.org) without delay, referring to the original email.

2 The Committees' Method of Work, inter alia, requests the Secretariat to strictly apply the rules concerning the submission of documents and not to accept late submissions from Governments or delegations.

3 In order to improve access to information and increase transparency, submitters of meeting documents are invited to give their consent for their documents to be released to the public prior to the meeting by checking the "opt-in box" at the top right corner of the new document template provided on IMODOCS (pre-session public release). In the absence of explicit consent, submissions will not be released to the public prior to the meeting.
